

# Delete Tuition Fees (Transactions Menu)

Last Modified on 11/23/2022 9:43 am EST

If you post a batch of tuition fees in error you can easily delete the batch posting.

1. Go to the **Transactions** (menu) > **Delete Transactions** > **Tuition Fees**. **Note:** Be sure to select **Delete Tuition Fees**, not **Delete Transaction Fees**.
2. Choose a specific batch (batches are created using *Transactions > Post Tuition Fees*) or select search criteria to locate the tuition fees posted in error.

### Delete Tuition Fees

[← RETURN](#) [✓ SUBMIT](#)

This function will only delete fees created using "Post Tuition Fees", "Post Tuition by Hours", "Copy Class", "Post Late/Misc Fees" and "Post Annual Fees". To delete other types of transactions, use "Delete Transactions". To see what fees you would delete within a date range, use "Transactions Advanced Search."

If you do not select a specific batch, you can choose specific criteria here.

Entered by User:

[✓ Submit](#)

3. Select **Submit**. In the confirmation window that asks, *Are you sure you want to delete tuition fees?*
4. Click **OK** in the confirmation window that asks, *Are you sure you want to delete tuition fees?* The tuition fees have been deleted and family balances have been updated.

**Any fees linked to payments will not be mass deleted. Use Transactions > Search to find tuition fees that could not be deleted due to payment. Unlink the fee from the payment in order to remove the transaction.**
