Express Payroll

Jackrabbit recommends **Express Payroll** for your payroll needs.

- ⭐ Export from Jackrabbit directly into the Express Payroll payroll system, quick and easy.
- ⭐ Customize unlimited pay rates in Express Payroll, supporting the use of Departments in Jackrabbit.
- ⭐ Update employee information efficiently using Staff Details export.

If you know you will be using *Express Payroll*, please make sure you follow the Express Payroll setup instructions in the **Export Settings** topic.

For more information, see the *Express Payroll* website at **www.express-payroll.com**.
