

# Revenue Summary on the Executive Dashboard

Last Modified on 02/12/2024 2:26 pm EST

The **Revenue Summary** detail is pulled from *Transactions (menu) > Transaction Reports > Revenue Summary* and provides a snapshot of monthly revenue this year vs. last year. The presented revenue shows adjusted revenue (revenue - refunds = adjusted revenue).

- Click the **12-month trailing revenue - Bar Chart** link to view a bar chart of revenue for the last 12 months.
- Click the **Current vs. Prior 2 Years Revenue** link to view a bar chart reflecting the current year and past 2 year revenue.
