

Mass Drop Students from Classes

Last Modified on 08/30/2022 1:46 pm EDT

Mass Drop is best used when a class or multiple classes are canceled. If a class ends and is completed, we recommend you [Archive the Class](#).

There are a few ways to mass drop the entire enrollment for one or more classes:

- ★ *Single Class* - use the [Mass Drop button in the Class record](#).
 - ★ *Single Class* - use the [class row menu in the Classes \(menu\) > All Classes](#)
 - ★ *Multiple Classes* - use the mass action functionality in the [Classes \(menu\) > All Classes](#) to drop the student enrollment for [multiple classes](#).
