Frequently Asked Questions

Q. *Where can I see an ePayment that was made through the Jackrabbit Plus mobile app?*

A. You can see a payment that was made through the Jackrabbit Plus mobile app in the *Family* record > *Transactions* tab > *User* (last column). The *User* is listed as *Portal-* (with the contact email address).

To make an ePayment using the Jackrabbit Plus mobile app:

1. Log in to the mobile app.
2. Click *My Account.* The current balance is shown.
3. Click the *Pay Now* button and walk through the Make a Payment workflow.

Q. *What is this Family record, ZZMobileInventorRequired? I never added it.*

A. When you sign up for Jackrabbit Plus we added a Family record for **ZZMobileInventorRequired** to your organization's account. This is added to comply with Google and Apple's mobile app compliance regulations for verification. The Family record has a status set to inactive, does not count toward your Jackrabbit monthly billing, and cannot be edited, deleted, or archived.

This message appears on the Family record Summary tab.

Q. *Does Jackrabbit Plus support in-app viewing with **Spot TV**?*

A. Yes! If your organization has an account with Spot TV, parents will be able to view the live-stream classes and watch their children in real time.
