

# Drama and Theater - Client Website Examples

Last Modified on 11/12/2024 8:53 pm EST

**Drama Kids** - [www.DramaKids.com](http://www.DramaKids.com) is a large multi-state, multi-region franchise offering hundreds of classes.

- From the home page, click 'Find Locations', then search for a location by state or zip code. Once on the State, click the 'Visit the Local Website!' link under your choice.
- Select one of the color buttons to see the related class listings tables.
- The Parent Portal button for each Location is also easy to find in the upper right side.

**Musical Arts Academy of Music and Dance** - [www.MusicalArts.org](http://www.MusicalArts.org) organizes by discipline.

- Choose the Theater tab - they provide instructions followed by the Jackrabbit class listing table of Theater classes.
  - Parent Portal is found in the left side navigation near the bottom, called "Account Login".
