

# Text a Group

Last Modified on 12/05/2023 2:50 pm EST

You can generate a text message to be sent out to a group of families all at once, aka in a batch from the following:

- ★ *Families (menu) > All Families*
- ★ *Families (menu) > Email/Text Families*

The recommended texting limit is 200 texts per day, per phone number. Sending more than the recommended number of texts may result in you being considered a 'spammer' and being blocked by mobile carriers.
