

Class Skills/Levels Report

Last Modified on 12/05/2023 2:29 pm EST

The **Class Skills/Levels** report displays the skills each student enrolled in a class is working on.

Get to this report from the **Classes** menu > **Skills** > **Class Skills/Levels**.

The report can be displayed in 3 different Display Settings:

- ★ View the Skills report to see a list of skills and skill status for students in a class.
- ★ Print a Skills worksheet to update skills for classes when the Staff Portal isn't accessible.
- ★ Create a Skills Progress report to show parents how their student is progressing in your program.
