Keep the Money Flowing - Collect ePayments in the Parent Portal

Last Modified on 10/24/2023 10:47 am EDT

In these times of economic uncertainty, it is more important than ever to keep money flowing. You need to be able to collect outstanding fees and take payment for online classes you may be offering, even if your doors are closed. Adding to that challenge, you must do this with no face-to-face contact with your customers.

With integrated ePayments (credit card and bank account payments), you can allow your customers to make payments through the Parent Portal. The ability to log into the Parent Portal and pay makes it easy and safe for your customers and allows you to collect money during this time of social distancing.

We are here to help you navigate through these unprecedented times. If you aren't currently set up with integrated ePayments, reach out to our ePayment Partners or ePayments Team, and we will answer any questions you may have and get you set up as quickly as possible.

- Contact one of Jackrabbit's ePayment Partners, **C&H Financial**, or **SafeSave Payments**.
