

# Work with Students in the Parent Portal NEW

Last Modified on 08/10/2023 1:24 pm EDT

needs a new article title...

Access student record in the PP:

- From the Account page > Students option > View link in student card
- Dashboard > View link

Settings = Tools > Parent Portal Settings > Settings tab > left menu

Options in the student record:

 DETAILS	edit student info (cover in this article)
 ENROLLMENT	view student's classes (class cards), access video links and resources, print student schedule (cover in this article)
 ABSENCES	view absences, schedule absences, schedule makeups, print absence history - Absences & Makeups in the Parent Portal
 ATTENDANCE ISSUES	view attendance issues, print (? need to test but pretty sure )(cover in this article)
 SKILLS	view skill progress, watch skill videos, print skill progress reports - Skills in the Parent Portal
