

Tax ID Label

To include your organization's tax information on receipts and statements issued from Jackrabbit, select a **Tax ID Label** from the drop-down menu; this label will be displayed before the ID number.

Enter your **Tax ID Number**; this is the number that identifies your business to your government's Revenue Agency. In the US, the ID number is called the EIN (Employer Identification Number).

General
COMPANY NAME
Jackrabbit Help Center
EMAIL
education@jackrabbittech.com
