When set to **Yes**, registration fees will be taxed:

- during **Online Registration** when *Registration Fee Settings* (Gear (icon) > *Settings* > *Online Registration*) are set to post registration fees automatically either for all registrations, or only when a student is enrolled during the online registration.
 - in **Post Annual Fees** (*Transactions* (menu) > *Post Transactions* > *Annual Fees*) the *Taxable?* check box will default to selected but can be cleared to omit tax.
