Last Modified on 01/24/2024 11:29 am EST

Jackrabbit offers great flexibility in reporting with over 100 reports for families, students, classes, staff, enrollment, financial information, and more!

These reports come in a few different formats.

Some reports are built to display in different output formats including PDF, Excel, and Word.

- These reports are customized using display settings. Select Excel or Word as the output format and use those programs to make any further customizations.
- Examples: [Deposit Slip](#) and [Paid Fees](#)

There are many reports that display your data in a **Table** format. This format is gradually being updated to the Grid format (below).

- Tables are customized through sorting, showing or hiding columns, and more.
- Examples: [Family Balance Summary](#) and [Email Listing Report](#)

New Jackrabbit reports are being created in a **Grid** format. Reports in table format will be gradually moved to grid format. The grids are robust and allow you to do much more with your data!

- Grids are customized by grouping your data, arranging the order of the columns, filtering for specific information, and more.
- Examples: [Student Detail Report](#) and [Staff Certifications](#)

All reports can be accessed from the **Reports** (menu), which offers many options for finding reports. Customize your Reports menu by marking your most frequently used reports as *My Reports*. Learn more about [The Reports Menu](#).

For each option in the Main Menu (blue menu bar), you can use a link to access the related reports. For example, go to the **Staff** (menu) > **Staff Reports** to go to the *Staff* tab of the *Staff Reports* section.

Included with top-tier subscriptions, the Business Intelligence Dashboard (BID) is the ultimate report! You can upgrade and gain access to the BID for a nominal monthly fee. Learn how to [Streamline Data with the Business Intelligence Dashboard](#)
