User Permissions for the Omit Family from Transactions Settings

There are several User Permissions related to the **Omit Family from Transactions Settings**. These permissions allow the User to omit a specific family from tuition fee posting (*Transactions > Post Tuition Fees*) or ePayment batches (*Transactions > Process ePayments*).

User Permissions play a crucial role in protecting your data by controlling who can access, modify, or perform specific actions in your system. Review **Protect Your Account - User Permission Guidelines** for more information.

To adjust a User's permissions, go to the **Gear** icon > **Settings** > **Users & Permissions** > **User IDs** (click on a User ID) > **User Permissions** (left menu). *Note: Users who are logged in when their permissions are changed will have to log out and back in for the changes to take effect.*
