

# Introduce the Staff Portal to your Staff

Last Modified on 05/28/2025 5:54 pm EDT

If your organization is new to the Staff Portal, this quick video tutorial is the perfect way to introduce it to your team. It walks staff through the basics - how to log in, what they can see and do, and how the Staff Portal supports their day-to-day tasks.

Share this video to help your staff feel confident and ready to get started.
