

Require full camp fee at enrollment with no deposit [Share](#)

Issue/Question

Does the "require payment at enrollment" button require payment for the camp in full? It's under the deposit area, so I wanted to clarify. We do not do a deposit and require it in full.

Resolution

When no deposit is defined, the **Require Payment at Enrollment** setting will enforce the payment of the full camp fee as determined by the students' enrollment (Camp Session and Time Periods).
