Issue/Question

How are camp sessions used?

Resolution

The **Camp** is the main, umbrella record that holds the overall setup, including pricing and availability. **Camp Sessions** live under a camp and define the specific dates a student will attend. They allow one camp to offer different date options without creating multiple camps.

Families enroll in a Camp Session, not the entire Camp. The Camp Session determines attendance dates, while the Camp provides the structure around it.

Examples

- One camp with a single session
 - Winter Break Camp
 - 12/22 - 12/26
 - One camp with multiple sessions
 - Winter Break Camp
 - 12/22 - 12/22
 - 12/23 - 12/23
 - 12/24 - 12/24
