

Error: No students available – students must be added before appointments can be booked

[Share](#)

Last Modified on 12/22/2025 5:18 pm EST

Issue/Question

The Camps feature is not allowing me to enroll students. It says students must be added first. How do I enroll students?

Resolution

The **Appointment Bookings** [User Permission](#) is currently required to enroll students into camp sessions. Contact your Manager to have this permission added to your User profile.
