Go High Level Location ID is not being accepted when setting up CRM integration   Share

Last Modified on 12/29/2025 3:37 pm EST

Issue/Question

Why is my Go High Level account not allowed to be entered? I'm trying to enter my gohighlevel location ID, and it's not accepting it.

Resolution

Before you can connect your Customer Relationship Management (CRM) to Jackrabbit, your CRM must first install the Jackrabbit app from the App Marketplace in your account.
