

Create a link for Camp enrollment [Share](#)

Issue/Question

How do I create a link to Camp registration?

Resolution

We are actively working on this functionality and plan to release it soon! In the interim, head over to **Labs** (Gear icon > Settings) and enable **Portal Registration** to allow both new and existing families to access and enroll in Camps through the Parent Portal.

To stay 'in the know' about what is coming next to the Camps feature, go the **Activities** menu > **Camps** and click the **Learn More** button.
